Tezpur, Assam

Science and Technology Quiz for students

(In the context of Northeast India)

Why the Students' S&T Quiz?

- ❖ Attract the students and the youth to the exciting world of modern science and technology that has impacted and benefitted our lives, livelihoods, environment, well-being, and the development process,
- ❖ Encourage them to explore innovative science and technology applications in various development sectors in the NE region,
- ❖ Motivate them to adopt careers in Research & Development as well as Entrepreneurship in S&T

Rules of the Game

- ❖ The theme of the quiz competition is Science & Technology. However, there will be a round or two on Science & Technology scenario of the Northeast.
- ❖ Each team must comprise of two members of the same institution. Lone wolf will not be allowed.
- ❖ For registration, Institutions/Groups should contact Dr. Hiten Choudhury, Assistant Professor, Department of Computer Science and IT, Cotton University, Cotton University, Cell Phone: 7002678749
- ❖ Alternatively, the Flyer/Registration Form can be downloaded from the <https://www.nectar.org.in/conclave-links>; The filled in registration form can be uploaded in the same link.
- ❖ Six/Eight teams will be selected for the finals through a screening round.
- ❖ The screening round will be a written test with 15 questions. There will be star questions for tie breaking.
- ❖ The best three groups will be chosen for the 1st, 2nd and the 3rd prize which will consist of certificates, a bunch of books and some gift items.
- ❖ In all cases, the decision of the Quiz Master will be final and binding.

How to register?

- ❖ Apply in given template (next page) **before 12 noon of 21st Dec 2021**
- ❖ Send filled-in registration form through email only
- ❖ Send mail to Dr. Hiten Choudhury, Email: hiten.choudhury@cottonuniversity.ac.in with copy to Dr. Partha J Das, Email: partha@nectar.org.in
